18th Annual Driving Fore A Cure Golf Classic 2023

Welcome to the 18th Annual Driving Fore a Cure Golf Classic!

It is hard to believe it has been a decade and a half since we began our efforts to foster, promote, and advance the cause of breast cancer awareness in the Upper Ohio Valley. Many of you have supported our efforts since the beginning. I cannot thank you enough for your support. For those of you who are new to our tournament, thank you so much for your involvement and I hope you will find your experience enjoyable.

Score keeping will now be done through the Oglebay Golf app.

All carts have a USB port to keep phone charged.

You need to take a USB cord with you. Follow the bullet points below to have one player on your team add the score for your team.

- Open Oglebay App
- Tap Driving Fore A Cure
- Scroll down to your TEAM name and tap
- Confirm and Start
- Tap Play in top right
- Dismiss bottom left
- Record score after each hole
- Tap Dismiss after recording each score

Of course, we especially want to thank our amazing sponsors, most of whom have been part of this work since its inception 18 years ago. There are no words to adequately express how grateful we are for and to them. We do ask for your help in showing our appreciation to these generous folks by making a special effort to patronize their businesses.

Thank you all for supporting this significant cause! Have a wonderful day and please plan to join us on October 11, 2024 for our 19th anniversary!

Very truly yours,

KATHY BLASS
